

MOUNIKA GOGULA

FRONTEND DEVELOPER

PERSONAL PROFILE :

I am a dedicated frontend developer with a strong passion for creating engaging, user-centric experiences. I continuously strive to improve my skills and stay updated with the latest technologies and trends in web development. My goal is to leverage my expertise in HTML, CSS, and JavaScript to contribute effectively to projects, delivering high-quality, responsive designs. As a fresh candidate, I am eager to demonstrate my ability to learn quickly and collaborate with teams to achieve project goals.
